<u>AGENDA ITEMS:</u>	
<u>Chapel Row Surgery Update</u> • TCD provided an update on the surgery and staff. We have had to say goodbye to Dr Choudhry, a locum GP who has provided valuable cover over the past year. JH expressed her sincere thanks for the excellent care Dr Choudhry has provided and wanted them to know how much it has been appreciated.	

<u>Patient Panel Meeting</u> - BP provided an update from the most recent PPG meeting. He reported that the ICB will be changing from BOB ICB to Thames Valley ICB, which will also incorporate the Frimley area. Discussions during the meeting focused on palliative care patients and the importance of ensuring that appropriate information and documentation, including the purple forms, are available and accessible to those who need them. It was noted that these forms have now been set up to be shared across all relevant services, helping to improve communication and coordination of care between healthcare providers. This work supports the aims of Dying Matters Awareness Week, which promotes open conversations about end-of-life care and helps ensure that patients' wishes are recognised and respected. - BP has advised that there will be two additional MRI Scanners at Newbury West Berks Community Hospital	BD
<u>ANY OTHER BUSINESS:</u> A patient had an incident in the car park and the tarmac in the disabled bay is damaged. TCD will be organising the repairs.	TCD
